

**O.E.PRO MEANS BUSINESS!**

# Genuine SUBARU Remanufactured Parts

**...meet strict original equipment specifications and perform like new**

All Genuine Subaru Remanufactured Parts incorporate the latest design enhancements and meet the latest, most stringent OEM specifications. Remanufactured by Subaru suppliers, they perform exactly like new Genuine Subaru Parts.

**...ensure long-term reliability**

Designed and engineered to be exact replacements for original parts, these remanufactured parts from Subaru undergo the highest level of quality control. Such attention to detail means these parts provide superb performance, precise fit during installation, trouble-free driving and unsurpassed safety.

**...are backed by the Genuine Subaru Parts Limited Warranty**

Since Genuine Subaru Remanufactured Parts pass the same tests as new parts and are as good as new, they come with the Genuine

Subaru Parts Limited Warranty. Please contact your dealer for full details.

**...and cost less than new parts!**

Genuine Subaru Remanufactured Parts cost less because they cost less to build. Instead of raw material, they start with only the best cores. These they disassemble, clean, machine and refit to the strictest quality standards.

## Thank you for your interest in Genuine Subaru Parts.

The Subaru O.E.PRO Parts Program offers the largest inventory of these OE-quality Subaru parts available anywhere. Pricing information for the following products is available through your authorized Subaru dealer. Please call for complete details.

➤ **To find a remanufactured part application, simply click on any of the categories shown to the right. You may also scroll through the application charts to find a specific part.**
